YouTube Comments

The video was too long.

Add more examples next time.

Excellent content, very informative.

Too many ads in between.

The intro was boring and slow.

The sound quality needs improvement.

Can you explain this concept in detail?

Include timestamps in the description.

I loved the background music.

Great editing and transitions.

The video quality is amazing!

Nice voiceover and presentation style.

Make a video on a similar topic.

Please add English subtitles.

The camera was shaking a lot.
